Nextdoor.com as the Preferred means of Communication

At the July 12, 2012 Meeting of PSNIC (future ONE-PS) adopted NEXTDOOR.com as the preferred communication tool for PSNIC and the NOrg's. Since that time each of the certified neighborhoods has adopted the online discussion application as a vehicle for disseminating information. It is now being used by several agencies in Palm Springs:

Palm Springs Police Department, Palm Springs Fire Department, Riverside County Sheriff's Department, the Desert Water Agency and the County of Riverside Emergency Management Department.

Nextdoor is the private social network for you, your neighbors and your community. It's the easiest way for you and your neighbors to talk online and make all of your lives better in the real world. And it's free.

People are using Nextdoor to:

- Quickly get the word out about a break-in
- Organize a Neighborhood Watch Group
- Track down a trustworthy babysitter
- Find out who does the best paint job in town
- Ask for help keeping an eye out for a lost dog
- Find a new home for an outgrown bike
- Finally call that nice man down the street by his first name

Nextdoor's mission is to provide a trusted platform where neighbors work together to build stronger, safer, happier communities, all over the world.
