### **Communications Committee (ComCom)**

The PSNIC Communications Committee is responsible for ... [*description to be developed*]

### **Nextdoor**

The nationally based, but locally exclusive, web site used by nearly all PSNIC member organizations. Many Palm Springs neighborhoods use NextDoor as their primary method of exchanging information, issuing alerts, distributing meeting agendas and minutes, initiating and developing social and civic programs, and documenting activities. Its full internet address is *Nextdoor.com*.

### **NOrg or Norg**

Abbreviation for *Neighborhood Organization*

### **Office of Neighborhood Involvement (ONI)**

The Palm Springs city office created in 2005 that formalized the process for officially recognizing neighborhood organizations and that continues to nurture new organizations and support established ones. In doing so, the ONI increases opportunities for citizen involvement and enhances partnerships between City Hall and the community. The ONI provides residents with responsive, coordinated services that promote and support collaboration and communication through the recognized neighborhood organizations.

### **ONI**
